6. To apply

Before applying, please read the following information on course fees:

The cost of your course is made up of two elements:

Course Fees apply to all participants. This reflects the fact that Share Music courses are inclusive, creative collaborations, of value to all those taking part. We do provide a number of bursaries to help offset the cost of the course fee. These are available to students and others who may not be able to afford the full cost of the course. The number and level of bursaries given out is at the discretion of SHARE MUSIC NI and will depend on funding secured for each course. Special conditions apply to professional personal assistants or carers accompanying a participant with a physical disability. Please contact us for further details.

Accommodation costs apply to disabled participants and non-disabled participants not undertaking a care role.

Accommodation is free of charge for participants willing to provide care support

Please note the fees are absolutely essential in enabling us to run the courses, and are kept as low as possible. Individuals may be eligible for financial support from their social services/ local authority or be able to avail of a bursary from a relevant Trust .
